It is one of the best books. Indeed, it really is a play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

Brand New Book ***** Print on Demand *****.Excerpt from An Address to the Public: With an Appendix Friends and fellow Citizens, In behalf of the Colonization Society of the State of Connecticut, we beg leave to address you on a subject intimately connected with the honor and the dearest interests of our common country, and identified with the great cause of human happiness. You are often called upon to lend your influence to schemes of patriotic enterprise and Christian benevolence. The elastic spirit of our age has long been busy here and has been moving you to effort. You have founded and are sustaining noble institutions of education. You have engaged in the work of sending the Scriptures into every family. You have long been contributing to impart the means of instruction to the ignorant and destitute. You have not held back from the enterprise of giving to Pagan tribes the blessed influences of the gospel. The spirit which has prompted you to effort aims at doing good to all within its reach; - it finds none too degraded for its beneficence, none too distant for its sympathy. It seeks to perpetuate and to brighten that bright legacy of character and of privileges which has come down to us from sainted ancestors. It seeks to scatter every where the seeds of social improvement and of spiritual life. It seems to forget none of the children of degradation, or of intellectual and moral want.
