WALKING WITH JESUS IN HEALTHCARE

Xulon Press. Paperback. Book Condition: New. Paperback. 290 pages. Dimensions: 8.9in. x 6.0in. x 0.9in. A simple prayer with a patient transformed this doctor's experience of caring for the sick. What had been good doctor-patient encounters turned into meaningful human interactions where hurts are shared and comfort made real. Aware of Jesus' presence, compassion, and love, patient and doctor alike have experienced a new way to relate, to heal, and to live. This 120-day devotional is for all who care for the physical, emotional, and/or spiritual needs of others. It's for doctors, nurses, chaplains, counselors, Hospice workers, therapists (of body and spirit), MAs, NPs, PAs, dentists, dietitians, life coaches, ancillary staff in hospitals and clinics, technicians, and all caregivers! In the hustle and bustle of modern healthcare, Dr. Mari's reflections on the Gospel according to Luke (the physician) offer a transforming message for medical professionals and caregivers. Join Dr. Mari, Dr. Luke, and the Great Physician and learn to care for people from the heart. No more ministering to people with overwhelming needs from a depleted soul and on your own strength. Learn to abide in Jesus, the Healer, and you will minister out of His abundance and in the power of the Spirit. As you take this journey with Dr. Mari, you will sense a friend alongside of you . . . sharing your struggles, lifting your spirits, reminding you of your true calling, and pointing you back toward your first love! Healthcare students, professionals, and their spouses are certain to be encouraged and inspired as they take this 120-day walk with Jesus in healthcare! J. Scott Ries, MD, FAAFP National Director of Campus and Community Ministries Vice President, Christian Medical and Dental Associations About the Author: Dr. Mari is married to a pilot-turned-preacher and is the happy mom of...
