AVALONIA, United Kingdom, 2008. Paperback. Book Condition: New. 212 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.The raw, ancient and primordial force symbolised by horns has long had associations with mystery, magick and power. Our ancestors often envisaged their gods as anthropomorphic beings who encapsulated this wild essence. Today the gods of the bull, the ram, the goat and the stag still hold tremendous power and are invoked at rituals by a new priesthood who continue to seek the wildness of nature and the inspiration that it holds. These deities transcend the safe and known boundaries of human structure, sometimes even luring us across the threshold of the known into the unknown worlds beyond. This unique anthology brings together the work of more than twenty people, including that of dedicated scholars and modern day mystics. Through their written and artistic contributions they illustrate some of the many manifestations of the Horned God. A true cornucopia of both insightful and well researched essays takes us from the well known Celtic Cernunnos and the legend of Herne the Hunter, to the goat-footed Greek Pan, the lesser known Slavic Veles and Egyptian Khnum. Horned serpents, unicorns, the...
