What is an Indigo Child There really isnt one definitive answer. In simple terms it is a person with a warrior spirit, always questioning and challenging the ways of the world and has a strong sense of a higher purpose. The name Indigo Child is the gateway that leads you to more answers. The Indigo Child is what I like to call the system-busters of our society. They share a collective mission of taking down old, outdated, negative, fear-based, ego-dominated structures and lower conscious related systems to make room for creating a world of peace, harmony, and love for humanity and for future generations to come. The purpose of this book is to help those seeking guidance. Here are some questions to which the Indigo Children answer YES. 1. Do you sometimes feel a lot wiser beyond your years 2. Do you feel alone or isolated in your beliefs 3. Do you have trouble conforming to the ways of society 4. Are you a seeker of truth 5. Do you feel out of place in todays society If you read them and you answered YES to at least one of them, then this book might be the answer youve been searching for. Find yourself in a different world, one that understands you and that you understand. And while youre at it dont forget to LIVE, LOVE, LAUGH. This item ships from La Vergne, TN. Paperback.
