Abhinav Publications, New Delhi. Hardcover. Book Condition: New. First Edition. 335pp. Predictive Planets and Presaging Palms is a unique book, dealing lucidly with the fascinating predictive sciences of Astrology and Palmistry in a single volume. Profusely illustrated, the book highlights the differences between Western and Hindu systems of Astrology and explains the Hindu art of predicting, giving valuable information on the methodology of predictions, the planets, the signs of the zodiac and on hands d what they reveal. The special features of the book include: chapters on marriage and relationship counselling, career counselling, and health counselling, remedial measures to counteract dverse planetary influences, techniques to specify timing of marriages, birth of children, professional changes, purchase of property etc., analysis of the horoscopes and hands of famous people, highlighting their special, significant features. The book also explains the rationale of Astrology and Palmistry against the back- ground of the Fatalism vs. Free Will controversy and indicates how these two predictive sciences can be used as roadmaps of life and optimise and maximise the development of individual potentials and the human resources. The Astrologer and Palmist, according to the author of the book, serve a useful role in society" in wiping tears, generating smiles, boosting up morales, kindling hope, fostering confidence and setting people on the path to success." Predictive Planets and Presaging Palms is a must reading for all sceptics of Astrology and Palmistry, who brand these predictive sciences as superstitious beliefs intended to hoodwink people.
