Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Guidance on good governance in the Quran is enthralling. Over and over again the Quran states that good governance stakeholders must beware of leaders like Pharaoh, and policies must not be like those of the people of Noah, the people of Lot and exploiters of the land. Decision making too must be based on mutual consent and overall welfare of the community - upholding justice, rule of law, sharing community resources, promotion of fair trading and ridding off corruption and economic injustice. In a nutshell good governance is allowing only sincere persons use their common sense to decide on policies and in the implementation of those policies because they have nothing to hide thus there will little barriers to being transparent in the process of decision making and their execution. They are humble enough to submit to God s decrees wholeheartedly without any notions of their creed and custom ways are superior to people of other creed. Just refer to verses Q2:42 and Q5:48 of the Quran. This White Paper on Norms for Good Governance in the Quran...
