Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

THE BRIDGE: STORIES OF THE CHURCH BODY BECOMING THE LIVING PROOF OF A LOVING GOD IN A HURTING URBAN NEIGHBORHOOD

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. The Bridge is about a middle-class church that chose to move across town and into an unsafe urban neighborhood where fatherlessness, drugs, crime, prostitution, dropouts, and brokenness prevailed. This little group moved into this neighborhood to build God's bridges of agape love between all people young and old. Bridge Ministry of Acadiana, a Christian Community Development organization was birthed in 2003. The Bridge is guided by their theological framework and 8-key components that were developed prior to taking any actions and are detailed in the books Acknowledgements and Forward. These key guiding components describe why Bridge does what it does, and is followed by many short stories that hopefully explain what Bridge does. These short stories tell about people in the neighborhood and community that come from all denominations, socio-economic and ethnic backgrounds, businesses, and organizations that have relationally joined with this inner-city movement of relocation, reconciliation and redemption by either volunteering, investing and/or praying for our neighborhood and community. It tells how the church and volunteers initially went door-to-door listening and learning about our neighbor's dreams for safer streets and better lives. The church learned from our neighbors that relational development is the greatest need in our inner city. By first listening and then responding to our neighbors Bridge became a development-type organization and not a relief-type organization. The Bridge learned how to develop and empower people by not doing for, but doing with. This book of short stories hopefully paints a picture of how this culture of trust, respect, and love is being built in the inner-city. A culture that ensures the dignity and growth of whole children and people...
