Brand New Book ***** Print on Demand *****.Three years and three months in the English Police. Twenty months as a volunteer Special Constable in the City of London, patrolling the Square Mile. On duty on July 7th and July 21st 2005 in the aftermath of the terrorist attacks. Then nineteen months with Kent Police as a paid Regular officer. If you want a poodle, then buy one. But don't buy a Rottweiler, pull all its teeth out and have it neutered and then complain that it's lost its aggressive edge. The English Police is currently the most emasculating job anyone can ever do if they join up with ideals and a belief that Justice should be served. Stab Proof Scarecrows looks at policing in the UK from a trainee's perspective. Someone who joined with high aspirations of helping to protect people and serve the public trust, only to resign while still in probation after becoming thoroughly disillusioned with the modern world of coppering. Revised and updated from the 2010 edition.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
