Hogarth/QPB. 1 Paperback(s), 2014. soft. Book Condition: New. (One of the New York Times Book Review's Notable Books of 2014) This third novel from the author of *The Crimson Petal and the White* and the Whitbread First Novel Award finalist *Under the Skin* is a profound, genre-defying meditation on faith, on love tested beyond endurance, and on our responsibility to those closest to us. It begins with Peter, a missionary sent to a new planet, who must leave his wife Bea on Earth. While Peter explores this astonishing world and introduces the natives to the Bible their "Book of Strange New Things" Bea's letters from home are increasingly desperate. Typhoons and earthquakes are devastating whole countries, governments are crumbling, and Bea's faith, once the guiding light of their lives, begins to falter. "Defiantly unclassifiable. *The Book of Strange New Things* squeezes its genre ingredients to yield a meditation on suffering, love and the origins of religious faith. Faber reminds us there is a literature of enchantment, which invites the reader to participate in the not-real in order to wake from a dream of reality to the ineffability, strangeness, and brevity of life on Earth." NYTBR 501.
