Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

In this riveting novel, Danielle Steel reveals the dark side of fame and fortune, when a renowned film director confronts an act of unimaginable treachery. BETRAYAL At thirty-nine, director Tallie Jones is a Hollywood legend, whose award-winning films enjoy both critical and commercial success. With no interest in the glitz of Los Angeles, Tallie centers her life on her work and her devoted inner circle: her family, her producing partner and live-in lover, and her longtime personal assistant and best friend. As Tallie is in the midst of her most ambitious film yet, small disturbances begin to ripple through her world. An audit reveals troubling discrepancies in the records maintained by Tallie's trusted accountant. Mysterious receipts hint at activities of which she has no knowledge. Soon it becomes clear that someone close to Tallie has been steadily funneling away enormous amounts of her money. After an escalating series of shattering revelations, Tallie must face the harsh truth behind her seemingly perfect life: that sometimes trust can be the greatest illusion of all. Includes an excerpt of Danielle Steel's *Until the End of Time*. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Mass Market Paperback.
