Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Woolworth Building by Day, Vol. 12 Its location, too, is of supreme importance. It is in the very heart of things - the civic center of the world's great metropolis, in the midst of all transportation lines. It faces upon three streets and has nine entrances, including two direct communications with the subway system. It is within a stone's throw of City Hall, the Municipal Building, Brooklyn Bridge, the Post Office and Courts, as well as close by the great financial and banking center. No building could command a better location or one more advantageous to its tenants. From the Observation Gallery, fifty-eight stories above the street, the view is marvelous, and the thrilling sensation which comes over the sightseer is never to be forgotten. It is indeed the most remarkable if not the most wonderful view in all the world. The scenic and color effects, with the sun shining on the multi-colored buildings around it, but far below, and on the water and land for twenty-five miles in every direction, make...
