SAMMY SASQUATCH AND THE STS AILES STAR

Peninsula Publishing, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Wayne Frye is the author of mystery novels featuring private eyes Chablis Louise Chavez and Aaron Adams. He is the creator of the Girl books about adventurer Jasmine Alexander and the exciting youth series about demon fighter, Lynton Vinas. He has also written biographies of North American Aborigines, Canadian nurses and World War II hockey player Rudi Ball. In this adolescent series, he introduces readers to Sammy Sasquatch - he is ugly, he smells and he is a frightening creature, but underneath beats the heart of a gentle soul who simply is trying to find his way back to his mountain home. He befriends three people who see the beauty within rather than the frightening exterior, and they try to help him get back to his mom and dad. Together, they all go on an exciting journey of discovery that will take them into danger in the wilds of British Columbia. By following a bright star that guides them through the wilderness they are about to find themselves and realize that their inner strength makes them capable of incredible things when in pursuit of truth and justice. Along the way they learn valuable lessons in self-reliance, and how no one should ever judge a book by its cover, because what is inside can offer a big surprise! So, get ready to be surprised by what is inside this book, and the ending will, as the saying goes - blow your mind.
