Assumption Press, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In *The Christian Mind*, Abbot Vonier presents a Catholic reading of the theology of St. Paul, unfolding the roots of the Christian moral life in Christology and justification. Vonier shows from St. Paul's teachings how the life of Christ in the Christian person begets a unique attitude of man's mind caused directly and totally by the Incarnation. Beginning with a concise yet thorough interpretation of St. Paul's central arguments and metaphors for the doctrine of justification, Vonier explores the effects of indwelling grace in forming the Christian's entire consciousness and moral character. Deeply biblical and thoroughly Catholic, Vonier's study reveals the great and beautiful vistas that the life of Christ opens to the Christian mind as the source of authentic peace in this world and the next.
