Brand New Book ***** Print on Demand *****.Courage for the World will inspire readers to do their part to see that the: Ownership of the Food Supply, Ownership of Land, Influence on Legislation, Control of Markets, and the Control of Rural Economies is not by a few, but instead is by many. This easy-to-read human interest story is packed full of information, research, and employable ideas to see to it that our food production systems will be safe, sustainable, and life giving. True story. Real people. Real issues. A real need for courage. Join Ima, Spike, Ruth, David, and John as they face off against Judas, Dick, Samuel, and others on team industrial agriculture. Get an inside look into the permit process for the animal agribusiness industry. Warning: It will change the way you look at food - permanently. Whether you are new to the issues of animal factories and industrial agriculture, or you are well versed on the subject, Ima SRSAC will inspire you to commit to courage for our world. As long as we live, we all need food. We need that food to be safe and sustainable. Written with heart and hope, Courage for the World is a treasure for those who have been there (you are not alone) and an eye opener for those have not. Ima SRSAC has been on the frontlines of the battle to preserve Rural America for future generations which puts her squarely at odds with large factory farms that often pollute their local environments and abuse the animals they contain. If you want to learn about her adventures in the fight against these animal agribusinesses, now's your chance to get a front row...
