

Buddy the Bunny s Perfect Day: Learning the Multiple Intelligences

By Joanna Mary Perkin

Dreamsgivehope, United States, 2014. Paperback. Book Condition: New. Catherine Emily Buckels (illustrator). 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Dear Parent/Teacher: As an educator and passionate child advocate for the last seventeen years with a Master s in Education, I am elated to introduce Buddy the Bunny s Perfect Day-the first book in my classic children s series. Each of my eight characters symbolizes one of Gardener s multiple intelligences, where the focus is not on how intelligent an individual is, but rather, how many ways one is intelligent. The multiple intelligence theory abandons the old premise that limits intelligence to only two intelligences (linguistic and mathematical) that have been traditionally valued in modern secular schools, and conceives intelligence as multiple rather than unitary in nature. In other words, there are a myriad of ways one may be intelligent outside of what we have been conditioned. Einstein had it right in the fifties when he said, Everyone is a genius. But if you judge a fish on its ability to climb a tree, it will live its whole life believing it is stupid. Buddy the Bunny Series targets ages 3 and up (pre-school...
