*A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.

MENOPAUSE

Mainstream Publishing, United Kingdom, 1993. Paperback. Book Condition: New. 212 x 134 mm. Language: English . Brand New Book. The menopause can bring about mysterious and unwelcome changes for every woman who reaches middle age. Brittle bones, hot flushes and depression are just a few of the distressing symptoms by which the change of life can manifest itself. Jan de Vries has more than thirty years experience in treating these and other symptoms of the menopause. He provides clear explanations of the changes which take place in a woman s body and, by advocating a common-sense approach based on natural medicine, he offers an effective alternative to treatments such as hormone replacement therapy whose potentially damaging side-effects are a cause for concern for many women. Menopause is a practical and down-to-earth addition to the Well Woman Series.
